AGE: 16YRS. AND UP

A workshop designed to explore what it takes to be an artist (literary, visual, performing, and/or electronic media) and to discover your secret reserves of talent and creativity, allowing your natural artistic expression to emerge. If you are an emerging artist already or an artist wanna-be or never thought you could be one, this four-week course will give you the tools to unlock your creative soul and open up opportunities for it to flower. Instructor: Penney De Pas (4 weeks).

**Class Fee: \$77**

**#68800 May 21 – Jun 11 W 7:00 pm – 9:00 pm**

### Development - Sustain the Artist Within

AGE: 16YRS. AND UP

A workshop that addresses the questions: What does it take to maintain a creative output level? What can we do to nurture our inner artist and stoke the creative fires? How can we challenge our ways of doing things and stretch ourselves to fuller expression? What do we do when we are pulled in different directions? What role does 'focus' and 'discipline' play versus multiple forms of creative expression? What is the best balance/mix of activity for you? Is artist's 'block' necessarily a bad thing? How can you make your 'down' time productive? What structures & environment best support your creative ventures? Recommended: Previous completion of 'Finding the Artist Within' course. Instructor: Penney De Pas (4 weeks).

## Jewelry - Enameling

AGE: 16YRS. AND UP

Jewelry scale enameling: The Forge and Fuse technique. In this class we will create a small pendant or a pair of earrings using fine silver and transparent Ninomya Leaded enamels. We will explore the use of the beehive kiln (ultralite kiln), to both fuse fine silver to form a base and rim, and melt the enamel onto the silver. We will create a forged fine silver form and fuse it to silver sheet to make a rim for the piece that takes the place of a bezel. Although this enamel technique is limited to elements no larger than 1.5 inches in diameter, it combines cloisonne, champleve and basse taille to create brilliant sparkley confections. This scale is great for jewelry, and the small kiln is an easy and portable tool. You can carry your whole enameling workshop in a toolbox. We will also make our own tiny tool to apply the glass. Instructor: Lillian Jones (6 weeks).

**Class Fee: \$110**

**#69773 Aug 5 – Sep 9 Tu 6:30 pm – 9:30 pm**

## Jewelry - Making Metal Beads Workshop

## Pottery - Enlarging from a Maquette

AGE: 16YRS. AND UP

Take your ideas and make them big! In this class, Holly Fischer will share her personal studio process and techniques with students. Students will learn how to sketch their ideas three-dimensionally by creating a maquette, or small model, in clay. Sculptors throughout history, including Michelangelo and Rodin, created maquettes prior to beginning construction of large projects. Students will be shown how to use a ratio to enlarge their maquette/model to a full-scale sculpture using coil construction and other hand building techniques. This process allows artists to create work at any size desired while maintaining the proportions of their original idea. Prerequisite: Hand Building Intro at Pullen or Sertoma or Clay Studio Orientation at Pullen. Supply fee of approx. \$16 for clay payable at 1st class. Instructor: Holly Fischer (6 weeks).

## Pottery - Just For The Birds

AGE: 16YRS. AND UP

In this class we will construct a birdbath and a few accessories. The bath itself will be built in sections. In the beginning, we will learn different ways of engineering your piece to create a sturdy and functional outdoor sculpture – be prepared to construct a mold! We will combine several handbuilding techniques to build the structure, then add all of those little marks and details that make it zing. We are then ready to build a few companion pieces – feeders or smaller baths that can hang from trees or stand beside your masterpiece. Your yard will become the new neighborhood hangout for the birds! Previous handbuilding experience is required. Pre-requisite: Basic Handbuilding at Pullen or Sertoma Arts. Supply fee of approx. \$16 (for clay) payable at 1st class. Instructor: Jennifer Garulski (6 weeks).

**Class Fee: \$81**

**#68910 Jul 21 – Aug 25 M 7:00 pm – 9:30 pm**

## Pottery - Paint A Plate

AGE: 16YRS. AND UP

Everything is included in this easy and fun two-hour plate decoration class. Ceramic plate, glaze, brushes, wax, and final firing are all supplied. Decorate your 8' round plate with your family crest, pet portrait, floral design, abstract, etc. Easy to follow instructions make this a fun experience creating a very memorable keepsake. Beginners welcome. Cheryl Weisz instructs (1 session).

## Pottery - Surface Decoration for Cone 9 Gas Kiln

AGE: 16YRS. AND UP

Explore new techniques for surface treatments in a gas kiln through use of texture in the wet stage, slip application and glaze layering with hot wax. Students will learn to apply hot wax with brushes. This quick and spontaneous process of glazing can make for multiple layering of glazes without unwanted thickness. We will use stoneware clays to achieve depth and richness of glazes in a gas kiln. Prerequisite: Beginning Wheel at Pullen or Sertoma Arts or Clay Orientation at Pullen. Supply fee of approx. \$16 (for clay) payable at 1st class. Instructor: Laura Korch (6 weeks).

**Class Fee: \$81**

**#70585 May 15 – Jun 19 Th 7:00 pm – 9:30 pm**

## Pottery - Working In A Series

AGE: 16YRS. AND UP

This wheel throwing class will focus on creating five to eight pieces of the same form to facilitate ideas and alterations to create groupings. Forms such as cups, bowls, vases, jars and pitchers will be explored, depending on student's interests. Sketchbooks for working out ideas are encouraged. Students will look at how unique individual pieces can also be part of a bigger set. Prerequisite: Beginning Wheel at Pullen or Sertoma Arts or Clay Studio Orientation at Pullen. Supply fee of approx. \$16 (for clay) payable at 1st class. Instructor: Laura Korch (6 weeks).

**Class Fee: \$81**

## Pottery - Tile and Mosaic

AGE: 16YRS. AND UP

Learn how to create handmade tiles and beautiful ceramic mosaic compositions! Ceramic tiles and mosaics can add a personal touch to your home in many ways: unique elements in a kitchen or bath, one-of-a-kind table tops, cooling trivets, wall-art, or a frame for a special picture or mirror. Let your creativity guide you as you explore this wonderful art form. Students will design a mosaic composition, create tiles, and be instructed in how to glaze, assemble, and grout between the parts to create a unified work of art. Cone 6 clay and glazes will be used in this class. At first class, students will supply an object for mosaic embellishment, purchase clay from Sertoma, and receive information on appropriate adhesive grout to purchase. Due to space, time, and workshop firing schedules, students should plan their project's design and size appropriately. Prerequisite: Handbuilding or wheel class at Sertoma or Pullen, or Pottery Studio Orientation class at Sertoma. Instructor: Holly Fischer

### Painting - Oil Pastel: Fast & Fabulous

AGE: 13YRS. AND UP

Oil pastels are crayons for grown-ups. They lend themselves equally well to both free, exuberant creations or to pieces using precise, defined techniques. Originally created for Pablo Picasso in 1925, oil pastels are made of pigment, wax, and oil and can be used on paper, canvas, clay and wood. This workshop introduces a simple resist technique using oil pastel and ink which produces remarkably beautiful results. Using professional grade materials, you will learn some wonderfully creative options of this medium. If you can color between the lines, you can create art in oil pastel. Join us for this fun workshop! Bring \$7 payable to instructor for materials. Jamie Miller instructs.
